Changes make the world move forward—and so it is at Ruffin. From new faculty members and new students to mobile classrooms, many innovations have altered the scene. The student population, exploded by the largest freshman class in the school's history, is witnessing a more active student council emphasizing the importance of the Honor Code. New textbooks, assistant teachers, and mixed sexes in vocational courses indicate the changing approach to education. All this contributes to the...

Appreciation

As one enters the office of Ruffin High School, courtesy and efficiency greet him through the gracious, calm countenance at the desk. For ten years this composure and cooperativeness have played a vital role in the life of the school.

Although the duties at Ruffin High comprise the major part of a day, this life enriches and is enriched by activities of family, church, and community—for it is indeed a full one.

Here at Ruffin we could not imagine a day without a glimpse, at least in passing, of the petite, beautifully coiffured figure of Mrs. Delores Harrelson.

Mrs. Delores Harrelson, Secretary

Through a constantly changing public school program on the national level, the state level, and most directly the local level, these members of the Ruffin High School staff, along with our county administrators, have through their perceptiveness and equanimity enabled us to adjust to this transitional period.

Assisted by Library and Guidance . . .

Have you tried the card catalogue?

The library attempts to provide for each student and teacher those materials—books, magazines, recordings, filmstrips—that supply recreation, information, and relaxation, which in turn make him a happier, wiser, or better adjusted individual. The guidance office, on the other hand, supervises an effective testing program, supplies helpful information concerning job opportunities, directs students in appropriate choices of colleges and other schools of higher education, as well as counsels those with problems.

Innovations

Assuming even greater responsibilities this year, the Student Council innovated car permits, hall permits, stricter smoking permits, and developed a warning system for violators of school rules and policies. The establishment of an honor code and the adoption of an Alma Mater were milestones in its history.

You'd better be looking the other way!

Reddy Kilowatt never misses a party. In fact, without him, things would be pretty dull. Think of it: no stereos, televisions, electric guitars or ice cubes.

Thanks to Reddy there are over 160 flameless electric servants that make modern living comfortable, economical and fun. When you have a home of your own, there will probably be even more than that.

Epilogue

With the speed of a locomotive, transition leaves the past behind and hurtles one into—the present—the future.

"CAN'T TAKE MY EYES OFF YOU"

— Frankie Ralie

You're just too good to be true—
Can't take my eyes off you. You would be
like heaven to touch - I want to hold
you so much - at long last love has arrived—
And I thank God I'm alive - You're just too
good to be true - Can't take my eyes off
you.

Pardon the way that I stare - there's
nothing else to compare - The sign of you
makes me weak - There are no words left
to speak - But if you feel like I feel please
let me know that it's real - You're just
too good to be true - Can't take my eyes
off you.

I love you baby - and if it's
quite alright I need you baby to warm
the lonely nights - I love you baby -
trust in me when I say - Oh pretty

baby don't bring me down that
way - Oh pretty baby now that I've
found you stay and let me love you
baby - let me love you - you're just
too good to be true -

Can't take my eyes off you.
You would be like heaven to touch -
I want to hold you so much - At long
last love has arrived and I thank
God I'm alive - you're just too good to
be true - Can't take my eyes off you.

I love you baby and if it's
quite alright I need you baby to
warm the lonely nights - I love you baby -
trust in me when I say - Oh pretty baby
don't bring me down that way - Oh pretty
baby now that I've found you stay - Oh
pretty baby trust in me when I say.

You Are My Special Angel

- The Vogues

You are my Special Angel sent from up above, the
Lord smiled down on me and sent an Angel to love;
you are my Special Angel right from paradise, I
know that you're an Angel, Heaven is in your
eyes. The smile from your lips bring the
summer sunshine; the tears from your eyes
bring the rain, I feel your touch, your warm
embrace and I'm in heaven again - you
are my Special Angel through eternity, I'll have
my Special angel here to watch over me.

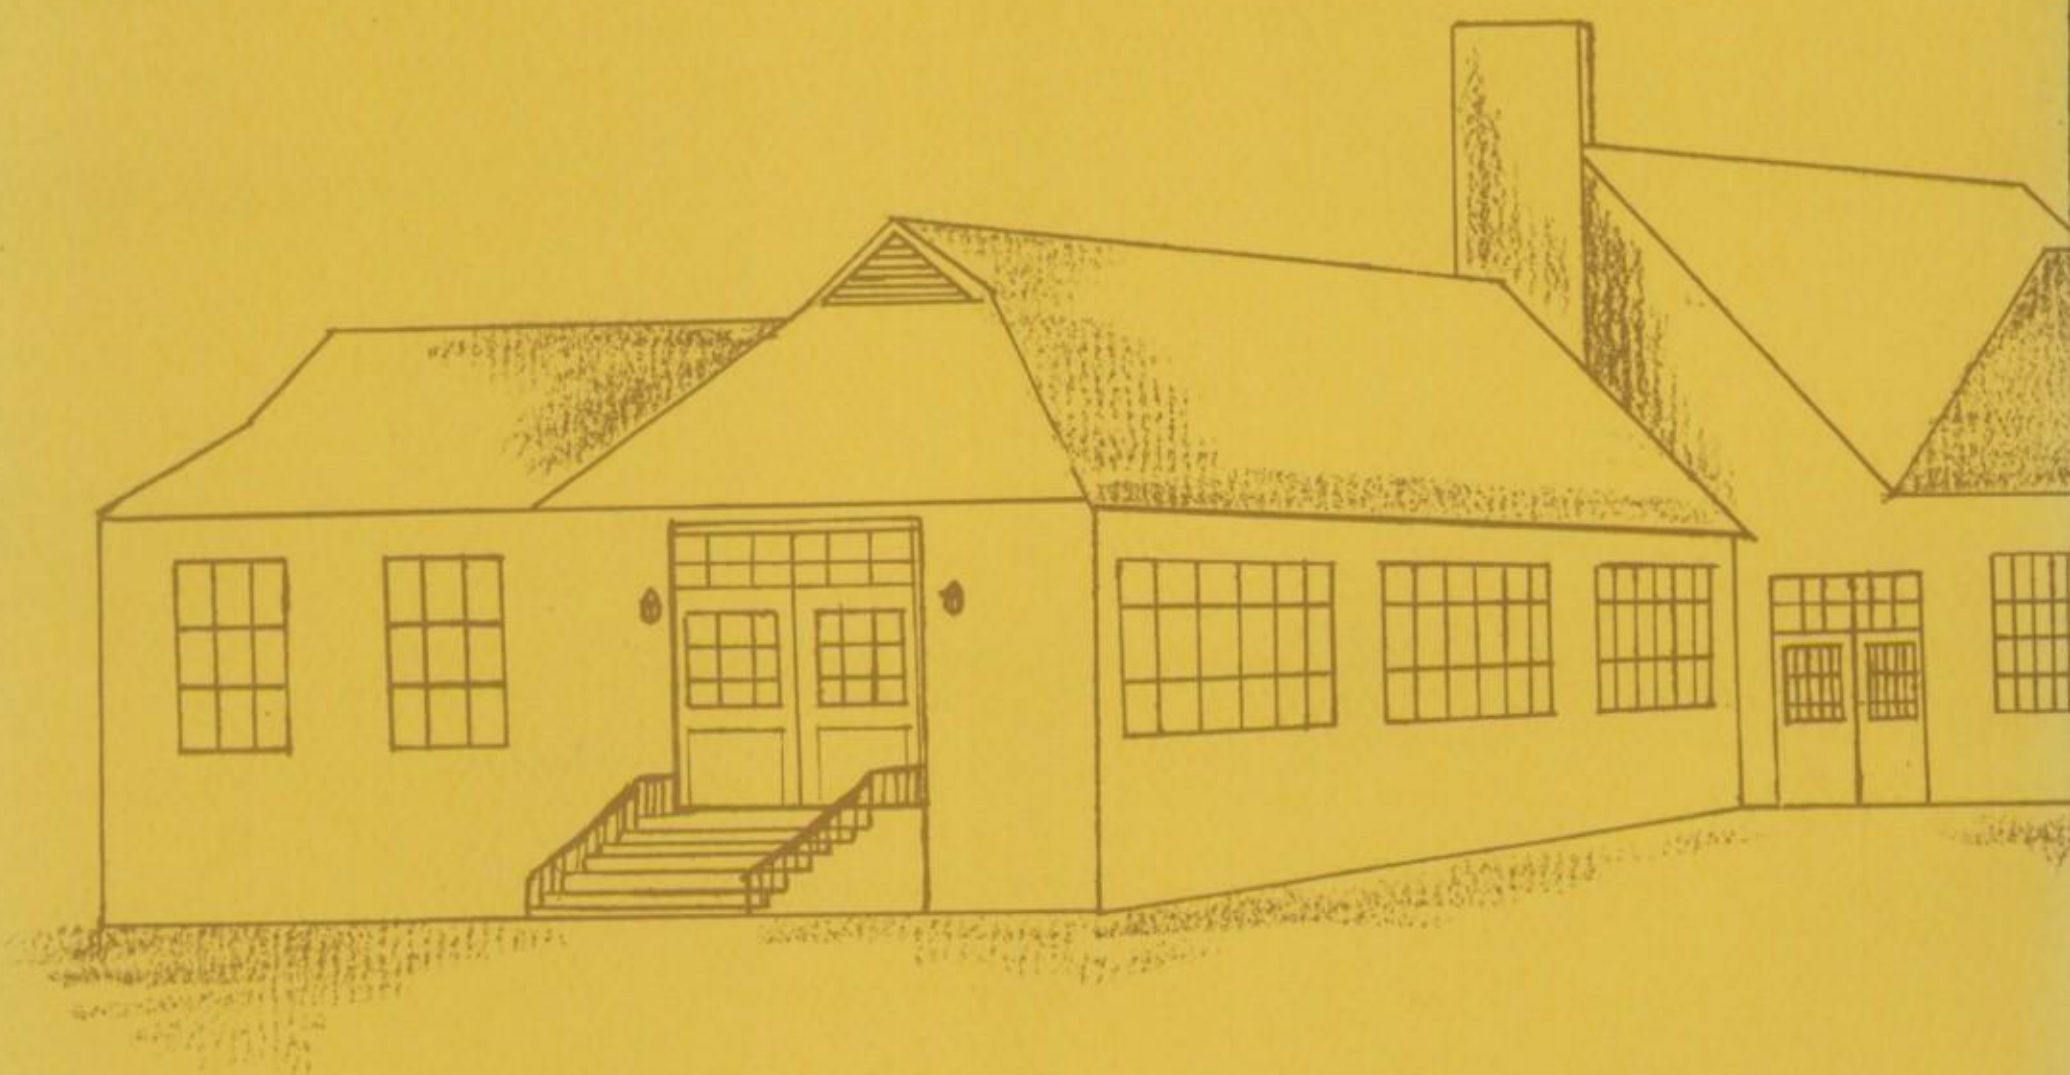

You are my Special Angel through eternity, I'll
have my Special Angel here to watch over me,
here to watch over me!
